As leaders in design, manufacture and support of safari lodges, Clear Sky carries out continuous research and development to maintain their lead at the forefront of the glamping industry in the UK. As well as the Safari Lodges featured in this brochure, we also offer bespoke designs, larger sizes and beach lodges. To support this we carry out regular customer surveys to understand needs and requirements of both operators and customers. This keeps our products both fresh and relevant and allows us to share information across the industry.
